Homework frequency

In summary at KS3, subjects and year groups with more than 3 periods a fortnight **should set one 30-40 minute piece of homework per week**, subjects with less than 3 periods a fortnight should set one 30 minute homework per fortnight.

In summary at KS4, subjects, with core PE as an exceptions, **should set between 40 and 60 minutes of homework per week.**

Homework can be set as projects throughout the term, this will be marked on SMH with the appropriate length of time.
