

# St Bernadette Catholic Secondary School

We are proud to be a community of faith and learning at St Bernadette. In **ICT, Business and Music** we believe studying these subjects enriches lives by developing the whole person in the wider world. ICT, Business and Music discovers and nurtures pupils' God given talents and enabling them to fulfil their potential where technologies and cultures are constantly changing.

## **ICT, Business and Music contributes to our learning and faith community by:**

- Providing pupils with the opportunity to explore the safe and ethical use of modern technology
- Considering the moral dilemmas presented when using these technologies
- Understanding that music provides us with the opportunity to reflect in awe and wonder at the beauty of God
- Making music which is contributing to the natural beauty of the world.

*"Growing and learning in faith"*
