3rd April 2020

Dear Parents/ Carers,

I hope that you and your families continue to keep safe and well.

The last two weeks have been very different to our normal way of life at St Bernadette's. Pupils, parents and staff have had to get used to new ways of working. We have been impressed with the commitment and dedication shown by all members of our school community and the excellent work being produced. As we reach the end of this term, we will be reflecting on our experiences of the first two weeks of home working and looking at how we can further improve the experiences of pupils, parents and staff at this time. We will be in touch after the break with more details.

Next week is Holy Week, a most important week in the Church Year. As we are unable to have our usual Holy Week Service in school and indeed will be unable to attend Easter services in person, we are attaching prayers, readings and reflections that we hope you will find useful as a family. Please remember that Holy Week and Easter services will be available online from many churches, including Clifton Cathedral. We also hope you will enjoy reading the Bernard which we will also be sharing with you.

Please remember to observe social distancing, to stay at home and keep safe.

With best wishes for the Easter season.

Mrs McLaughlin
